DENTAL SURGERY

Unlike other services, in-patient dental surgery can be claimed under both your hospital cover (for things like accommodation and operating theatre fees) as well as under your extras cover (your dental surgeon's bill). You must hold eligible extras cover if you want to claim benefits for dentist or dental surgeon's fees for surgery performed in a hospital. Depending on your annual limit, you may still experience out-of-pocket costs, however these costs will be higher if you do not hold eligible extras cover.

EXCESS

An excess is a non-refundable amount of money you agree to pay towards the cost of your hospital treatment before we pay benefits to you. When you take out hospital cover, you'll select an excess amount. Your choice of excess will affect the cost of your premiums. The higher your excess is, the lower your premiums will be. If you reduce the excess amount on your policy or you move to another policy where the excess amount is lower, you will have to pay the old excess during the waiting period for the treatment. You only need to pay one excess per person per calendar year if you claim on your hospital cover. Subsequent hospital claims in the same calendar year won't incur another excess payment.

OUT-OF-POCKET COSTS AND HOSPITAL AGREEMENTS

Under this policy, you may have to pay out-of-pocket costs above what you get from Medicare or your private health insurer. Before you go to hospital, you should ask your doctors, hospital and health insurer about any out-of-pocket costs that may apply to you. The benefits paid for hospital treatment will depend on the type of cover you purchase and whether your fund has an agreement in place with the hospital in which you are treated. See 'Agreement Hospitals' on privatehealth.gov.au for which hospitals have arrangements with your insurer.

PREGNANCY AND BIRTH

To be covered for pregnancy and birth in hospital, make sure your cover includes full benefits for these services. If not, you may wish to upgrade to a cover that includes pregnancy and birth 12 months before the date of birth of your child to minimise your out-of-pocket expenses. If you're expecting, make sure you transfer to a family membership within 2 months of the birth of your child to ensure your baby is covered.

SERVICES NOT INCLUDED

These services are not included in your cover. No benefits are payable for any treatment related to these services. Always check with us to see if you're covered before going to hospital.

[^] Available to members who have held hospital cover for at least 12 months. Other eligibility criteria apply. See hcf.com.au/unemployment-assistance for more information.

[∞] Limited benefits apply. Minimum Benefit level payable by HCF for Hospital Accommodation as determined under the Private Health Insurance Act and the cost of prosthesis (as listed on the Prescribed List of Medical Devices and Human Tissue Products). No benefit is payable for podiatric surgeon fees. Ensure you have Informed Financial Consent prior to your treatment, for any out-of-pocket expenses.

^{*} Includes associated speech and sound processors including upgrades.

[ⓘ] Cover for insulin pumps is subject to conditions set out in the Private Health Insurance Act.
