## EXCESS

An excess is a non-refundable amount of money a member agrees to pay towards the cost of services before benefits are payable when admitted to hospital. If hospitalised, the total excess amount of your cover will apply once per person per calendar year.

## OUT-OF-POCKET COSTS AND HOSPITAL AGREEMENTS

Under this policy, you may have to pay out-of-pocket costs above what you get from Medicare or your private health insurer. Before you go to hospital, you should ask your doctors, hospital and health insurer about any out-of-pocket costs that may apply to you.

The benefits paid for hospital treatment will depend on the type of cover you purchase and whether your fund has an agreement in place with the hospital in which you are treated. See 'Agreement Hospitals' on [privatehealth.gov.au](http://privatehealth.gov.au) for which hospitals have arrangements with your insurer.

## PREGNANCY AND BIRTH

To be covered for pregnancy and birth in hospital, make sure your cover includes full benefits for these services. If not, you may wish to upgrade to a cover that includes pregnancy and birth 12 months before the date of birth of your child to minimise your out-of-pocket expenses. If you're expecting, make sure you transfer to a family membership within 2 months of the birth of your child to ensure your baby is covered.

## RESTRICTED COVER

For these services, only Minimum Benefits are payable which means that you may have to pay significant out-of-pocket expenses in a private hospital. In a public hospital, if you elect to be a private patient, you may also have to pay out-of-pocket expenses.

## SERVICES NOT INCLUDED

These services are not included in your cover. No benefits are payable for any treatment related to these services, except in the case of Accident Safeguard. Always check with us to see if you're covered before going to hospital.

<sup>∞</sup> Limited benefits apply. Minimum Benefit level payable by HCF for Hospital accommodation as determined under the Private Health Insurance Act and the cost of prosthesis (as listed on the Prosthesis List). No benefit is payable for podiatric surgeon fees. Ensure you have Informed Financial Consent prior to your treatment, for any out-of-pocket expenses.

<sup>^</sup> Includes associated speech and sound processors including upgrades.

<sup>#</sup> Certified Type C procedures and certified overnight Type C procedures for the treatment of diabetes.
