

COMPLAINT MANAGEMENT POLICY

ISSUED SEPTEMBER 2021

OUR COMMITMENT

HCF acknowledges that you have a right to complain about our products and services. As part of our vision to make health care affordable, understandable, high quality and customer-centric, HCF is committed to an open, accessible and effective complaint management system as guided by Australian Standard AS/NZS 10002:2014 (Standard).

COMPLAINTS AND FEEDBACK

HCF recognises that complaints and feedback provide opportunities to build knowledge and improve our products and services.

This policy is intended to address complaints made to HCF. In accordance with the Standard, a complaint is defined as an expression of dissatisfaction to or about HCF, related to our products, services, staff or the handling of a complaint, where a response or resolution is explicitly or implicitly expected or legally required.

Occasionally we receive negative feedback in the form of opinions, comments and expressions of interest or concern about our products, services or interactions, which may not require a resolution or formal follow up. This policy does not apply to feedback of this nature unless we decide to manage it in the same way as a complaint in the circumstances.

GUIDING PRINCIPLES

In line with the Standard and HCF's responsibilities under the Private Health Insurance Code of Conduct, we are committed to the following guiding principles when handling complaints:

PEOPLE FOCUS

HCF's complaint handling process is intended to be fair and equitable to all parties. It allows for active involvement by complainants as far as practicable, permitting their views to be heard and taken into account in a balanced, respectful and meaningful way.

ACCESSIBLE, VISIBLE AND TRANSPARENT

This policy will be available on our website, in our branches and our Head Office.

If we discover that you require assistance or support during the process, we will adopt measures to accommodate the assistance and support you require so that you can meaningfully participate in the process.

We do not charge a fee for making a complaint.

RESPONSIVE

We will acknowledge complaints promptly and respond in full in a reasonable timeframe taking into account the urgency of issues raised. We will communicate expected timeframes to you and inform you if we think there may be some delay.

OBJECTIVE, FAIR AND EQUITABLE

We will review each complaint in an objective and unbiased manner.

We will take all reasonable steps to make sure that you are not adversely affected because a complaint was made by you or on your behalf.

If a complainant's behaviour during the process is unreasonable, we will still endeavour to take all reasonable steps to address the valid issues raised in the complaint in a fair and ethical manner.

CONDUCT AND COMMUNICATION

We will be helpful, courteous and professional in all our dealings.

We will explain the reasons for our decision and any remedy or resolution we consider fair and reasonable in the circumstances.

We will provide contact details of the person co-ordinating the response so that you know whom to contact during the process.

ACCOUNTABILITY, LEARNING AND PREVENTION

There is clear accountability for our complaint management system. We monitor and report information about complaints to gain insight on areas for improvement and issues requiring deeper analysis to prevent recurrence.

All staff undertake training on the importance of complaints to HCF and this policy. We undertake periodic reviews and audits of the complaint management system to assess our adherence to this policy, and to evaluate the overall effectiveness and suitability of our complaint management system.

- We will acknowledge receipt of your complaint promptly and no later than 2 business days from the date of receipt by HCF. We will typically do this by the same method that you used to contact us, or by telephone or in writing, depending on the complaint and your preferred method of contact.
