## HOW A WAITING PERIOD WORKS

## EXAMPLES OF HOW A WAITING PERIOD WORKS

### APPROVED EXAMPLE

Susan suffered from renal disease. She continued to have symptoms or was receiving treatment in the years before taking out cover. Susan subsequently suffered Kidney Failure 2 years after her Cover Commencement Date.

**Susan submitted a claim which was approved because her Kidney Failure occurred more than 12 months after the Cover Commencement Date, which means that the Waiting Period does not apply.**

### DECLINED EXAMPLE

James suffered from renal disease. He continued to have symptoms or was receiving treatment in the years before taking out cover. James subsequently suffered Kidney Failure 6 months after his Cover Commencement Date.

**James submitted a claim which was declined because Kidney Failure is an Impairment to which the 12 month Waiting Period applies. Because James suffered Kidney Failure 6 months after his Cover Commencement Date, the Waiting Period applies and no benefit is payable.**

These examples are to demonstrate how a Waiting Period works and the impact a Waiting Period can have on a claim. They do not cover all possible scenarios.

## HOW WE ASSESS THE WAITING PERIOD

We will assess if the Waiting Period applies when You make a claim.

We will decline to pay a benefit if you suffer one of the specified Impairments within the first 12 months of the Cover Commencement Date. This also includes diagnosis, which means that if you are diagnosed with one of the specified Impairments within the first 12 months of the Cover Commencement Date, you will not be covered.

We will take into account information that includes:

- the information that You supply to Us; and
- the information that Your treating registered medical practitioner supplies to Us, such as their opinion on whether the Impairment occurred (including diagnosis) within the first 12 months of the Cover Commencement Date.

## PREMIUMS

Cash Back Cover premiums are based on the Level of Cover you choose and do not increase with age.

You must pay premiums on or before the due date to keep Your Policy Active. Premiums are payable in advance and You can choose the frequency. The premium payable under Your Policy, as applicable at the Cover Commencement Date, is shown on Your Policy Schedule. The premium includes stamp duty payable by Us where applicable.

We may change the premium of Your Policy at any time, provided such change applies to all policyholders under this series of Cash Back Cover. We will write to You about any changes and they will come into effect on the date specified in the notice of change, which will be at least 30 days after the date of sending the notice of change to You.

## PREMIUMS AND TAX

Premiums received are paid into Our No. 1 Statutory Fund, and all benefits are paid out of this fund. Generally, insurance premiums are not tax deductible and benefits are paid free of personal tax. This is a general statement based on present laws and their interpretation. Individual circumstances may vary and You should consult a professional tax adviser.

## WHEN YOUR COVER ENDS

Insurance under Your Policy will end for all Insured Persons when any of the following occurs:

- the death of the Insured Person named on the Policy Schedule;
- the Insured Person named on the Policy Schedule turns 65;
- You don't pay Your premiums, the date stipulated by Us in Our written notice of cancellation to You following the non-payment of premiums for 2 months after the date to which premiums have been paid;
- the payment of Your entire Level of Cover; or
- You make a written request to cancel Your Policy, on the date We receive Your written request.

In addition, for Family Level of Cover, insurance under this Policy will end for the Insured Person when any of the following occurs:

- when the Insured Person turns 65;
- when the Insured Person ceases to be a Partner;
- when the Insured Person ceases to be a Dependant; or
- the death of the Insured Person.

We will not cancel Your Policy in response to any change in the risk of the Insured Person.

Where You hold Family Level of Cover, but Your Private Health Policy has been cancelled or changed to single level, You, Your Partner and all Dependants that were covered by Your Private Health Policy immediately before the Private Health Change will continue to have Cash Back Cover under this Policy, even though You, Your Partner and Dependants may no longer have cover under Your Private Health Policy.

You may cancel or change this Policy at any time by contacting Us. If You have cancelled Your Private Health Policy or hold a single level Private Health Policy, You can change the Insured Persons under this Policy at any time by contacting Us.

Where You hold Family Level of Cover and only 1 Insured Person remains covered by the Policy (due to cover ceasing in accordance with this clause), We will cancel Your Family Level of Cover and issue You with alternative Single Level of Cover. Where this occurs:

- the Cover Commencement Date in this Policy will continue to apply in respect of any Exclusions for the purposes of Your Single Level of Cover; and
- the Level of Cover will be the lesser of the amount of the unpaid benefit on Your Family Level of Cover or \$20,000.

We will notify You if this occurs.

## REINSTATING YOUR POLICY

If We have cancelled Your Policy due to non-payment of premiums, We will send You a written notice of cancellation. You can request to reinstate your Policy by calling us on **13 13 34** within 30 days of the date stated on the written notice of cancellation. Within that 30 days, We must receive all outstanding premiums before Your Policy can be reinstated.

## COOLING OFF PERIOD

From the date You receive Your Policy documents from Us, You have 30 days to check whether the Policy meets Your needs. Within this time You may cancel Your Policy by calling Us on **13 13 34** and receive a full refund of any money paid provided You have not made a claim.

## HOW TO MAKE A CLAIM

We will require written proof from You to substantiate Your claim. To submit satisfactory written proof to Us:

- complete and return a Cash Back Cover claim form as soon as possible (You can get a copy of this form by calling Us on **13 13 34** or emailing Us at [lifecclaims@hcf.com.au](mailto:lifecclaims@hcf.com.au));

- You will need to pay all costs related to completing the Cash Back Cover claim form;
- if required, the Insured Person will need to have a medical examination on Our behalf and at Our expense;
- You must provide proof of Your age;
- You must supply any other documents or evidence We may require in order to assess your claim; and
- The Insured Person must seek medical advice from a legally qualified medical practitioner as soon as possible after an Impairment occurs and that advice must be followed.

## RISKS

It is important to understand the associated risks of purchasing a life insurance policy. Things You may wish to consider include:

- determining whether this Policy suits Your needs;
- if You are replacing an existing policy, consider the terms and conditions of this Policy and your existing policy before making a decision;
- this Policy does not have a surrender value, which means no money is payable to You unless We have approved a claim under this Policy.
